

ABP 10th Anniversary

The Shizuoka University Asia Bridge Program (ABP) was established in 2015 to nurture individuals who can play an active role in connecting Shizuoka and the world. This initiative has been carried out in collaboration with companies and local governments in Shizuoka Prefecture, promoting international development. As we celebrate the program's 10th anniversary, we invite you to join our commemorative events, aimed at further advancing the ABP's mission.
